Our Mission is to make boating more accessible on the River Thames and our goal is to help people enjoy going on the water in a safe and fun way.

We are looking for a person to manage the Rental Operations from our Bisham Abbey site.

- Setting up the kit
- Welcoming, overseeing and delivering safety briefings
- Launching customers on to the water.
- The afternoon session is to welcome back customers
- Check, clean and pack away by 5.30 pm (6pm latest)
- Managing Casual Workers when needed

The manager will be in regular daily contact with the owner and will be expected to maintain some simple on and off line procedures.
