Our Mission is to make boating more accessible on the River Thames and our goal is to help people enjoy going on the water in a safe and fun way.

The Assistants will be expected to be available during our busy summer days over weekends and bank holidays, taking days off in the week. In the off-season, work will not involve weekends.

The Apprentice will report directly to the Manager and will be expected to maintain our high levels at all times.

Package:

Full Time Position – Up to 40 hours per week – (overtime available in the Summer/busy periods) – Minimum commitment 25 hours per week.

We will pay above the minimum wage.

Training will include – Operational (under British Canoeing Guidelines for paddle craft and Hire Boat Code for motor boats), First Aid*, Powerboat Level 2* course (*if required) and more.
